MINKU KANG, MD

10 September 2026

https://kangminku-kr.github.io

BIO

Minku Kang is a preventive medicine physician and social epidemiologist studying how precarious work, long working hours, and inequality translate into poor mental health — and how that evidence can drive institutional reform. He is a PhD candidate in Public Health at Korea University and holds an MPP from the KDI School, and serves as a central epidemiologist and healthcare management officer in the Ministry of National Defense.

RESEARCH INTERESTS

Workplace Mental Health
Social Determinants of Health
Community Medicine
Health Workforce
Health Systems

EDUCATION

Ph.D.	Public Health, Korea University Graduate School, Seoul, 2027 (expected) *Concentration: Health Policy and Management*
M.P.P.	Public Policy, KDI School of Public Policy and Management, Sejong, 2026 *Concentrations: Public Finance and Social Policy (primary); Trade and Industrial Policy (secondary)*
M.D.	Medicine, Korea University College of Medicine, Seoul, 2020
B.A.	Sociology, Economics (Minor), Korea University, Seoul, 2020

LICENSES & CERTIFICATIONS

- Medical License, Ministry of Health and Welfare, Republic of Korea
- Board Certification in Preventive Medicine, Ministry of Health and Welfare, Republic of Korea
- Certified Specialist in Geriatrics, Korean Geriatrics Society
- Certified Specialist in Obesity Medicine, Korean Society for the Study of Obesity

---

PROFESSIONAL EXPERIENCES

2026.10–	Occupational Health Physician, Gyeonggido Office of Education
2026.10–2027.04	Occupational Health Physician, Armed Forces Capital Hospital (AFCH), MND
2024.05–2027.04	Central Epidemiologist, Ministry of National Defense Healthcare Management Officer, Armed Forces Medical Command (AFMC), 2025.05–2027.04 Preventive Medicine Officer, Armed Forces Medical Research Institute (AFMRI), 2024.05–2025.04
2023.01–2023.02	Visiting Researcher, Center for Mental Health Services, National Center for Mental Health (NCMH), Ministry of Health and Welfare
2022.01–2022.06	Physician (part-time), COVID-19 Community Treatment Center, Seoul Metropolitan Government

2020.03–2024.02 Medical Intern and Resident, Department of Preventive Medicine, Korea University Medical Center

HONOURS AND AWARDS

- Commendation from the Minister of Health and Welfare, Republic of Korea, April 2023.
- Kang Sang-ho Award (Best Poster Award), Korean Society for Equity in Health, May 2026.
- Commendation from the Surgeon General, Armed Forces Medical Command, Republic of Korea, June 2026.
- Academic Award, Korean Military Medical Association, 57th Conference on Military Medicine, September 2026.
- Young Researcher Award, Korean Society for Preventive Medicine Fall Conference, October 2026.
- Excellent Oral Presentation Award, Korean Society for Preventive Medicine Fall Conference, October 2025.
- Outstanding Paper Award, COVID-19 Student Paper Contest, Institute of Health and Environment, Seoul National University, December 2022.
- Kim Il-ho Award, Korean Intern Resident Association, December 2023.

SCHOLARSHIPS AND FELLOWSHIPS

- National Service Fellowship, KDI School of Public Policy and Management, 2024–2026.
- Travel Grant for International Conference Participation, Korean Academy of Medical Sciences, October 2023.
- Short-term Training Grant for Fostered Specialties, Ministry of Health and Welfare, October 2023.
- Physician-Scientist Scholarship, Korea University College of Medicine, 2021–2026.
- Public Health Scholarship, Korea University College of Medicine, 2021–2026.
- Graduate Mentor Scholarship for International Students, Korea University, 2022.
- University Service Scholarship, Korea University, 2012–2015.
- University Leader Scholarship, Korea University, 2013.
- Merit Scholarship, Korea University, 2012–2013.
- Samsung SDS Junior Frontier Leader (JFL) Scholarship, 2009.

6. Books and Translations

Translations

- Joint Trauma System Clinical Practice Guideline (2026).
    - Infection Prevention in Combat-Related Injuries
    - Documentation in Prolonged Field Care
    - i-STAT Portable Blood Analyzer in Austere Locations

Peer Review Activities

- Reviewer, International Journal for Equity in Health.
- Reviewer, BMC Public Health.
- Reviewer, Safety and Health at Work.

RESEARCH GRANTS AND PROJECTS

1. Research Grants

As Principal Investigator

- Determinants of Mental Health among Military Personnel, Armed Forces Medical Command (AFMC). March 2026 – March 2027. KRW 6,380,000.

- A Study on Reforming the 36-hour Consecutive Shift System for Medical Intern and Resident, Research Institute for Healthcare Policy (RIHP), Korean Medical Association. PI: M. Kang. May 2023 – January 2024. KRW 10,000,000.
- Korean Intern Resident Survey, Korean Intern Resident Association. September 2022 – February 2023. KRW 20,000,000.

2. Research Projects

As Principal Investigator

- Five-year risk prediction and risk-assessment model for post-screening follow-up of National Health Insurance Service (NHIS) general health examination, Principal Investigator.

As Co-Investigator / Collaborator

- A Study on Restructuring the Residency Training Environment Evaluation System toward Program- and Outcome-Based Assessment in Korea, Korean Hospital Association. 2026.
- Changes in Medical Utilization at Military Hospitals Following the 2024 Healthcare Crisis, Armed Forces Medical Command, MND. 2026.
- Analysis of Healthcare Utilization of Military Personnel in Military and Civilian Hospitals, Armed Forces Medical Command, MND. 2025 – 2026.
- Improving Infectious Disease Response and Management Capabilities in the Korean Military, Korea Disease Control and Prevention Agency. 2025.
- Development of a Roadmap for the Prevention and Management of Health Hazards, Korea Disease Control and Prevention Agency. 2025.
- Malaria Screening Support and Climate-Based Predictive Modeling among Deployed ROK Forces, Armed Forces Medical Research Institute, MND. 2025.
- Exposure to Febrile Infectious Diseases among ROK Forces Deployed in South Sudan, Armed Forces Medical Command, MND. 2025.
- A Comprehensive Review for Military Vaccination Policy Decision, Armed Forces Medical Command, MND. 2024.

Research Assistant

- The Impact of COVID-19 on Health Equity, Ministry of Health and Welfare. June 2022 – December 2022. (Literature review, NHIS big data analysis, report writing).
- Analysis of the Use of Community Services by People with Mental Illness Living in Rental Housing, Presidential Committee on Policy Planning. February 2022 – April 2022. (Literature review and report writing).
- Research on the Formation of Community-based Customized Mental Health Living Labs, Korea University Research and Business Foundation. November 2021 – January 2022. (Research participation and Living Lab forum attendance).
- Improving the Quality of Psychiatric Institutions, Ministry of Health and Welfare. April 2021 – December 2021. (Research administration, on-site survey of psychiatric institutions, data analysis).
- A Study on the Improvement of the National Surveillance System on Sexually Transmitted Infections, Korea Disease Control and Prevention Agency. September 2021 – March 2022. (Literature review and research participation).

- Seroprevalence Survey and Development of Preventive Guidelines for Q Fever among High-Risk Groups, Korea Disease Control and Prevention Agency. November 2021 – March 2022. (Research administration, preparation and execution of on-site seroepidemiological survey).
- Spatio-temporal Analysis of Disease and Health-related Factors, Korea University Medicine. September 2021 – February 2022. (NHIS big data preprocessing).
- Education and Reinforcement Project of Prevention, Diagnosis and Analysis of Infectious Diseases (KOICA–Tashkent Medical Academy), Korea International Cooperation Agency (KOICA). November 2021 – December 2021. (Health Specialist: Local R-based epidemiology education, survey data preprocessing and analysis).
- Policy Studies on the Private Certification System for Medical Devices in South Korea. April 2021 – December 2021. (Literature review and research participation).
- Effect of Socioeconomic Factors on Health in the Old-aged Group: Focusing on Complex Chronic Diseases, Korea University Medicine. October 2016 – January 2017. (Literature review and research participation).

3. Non-research (Public Engagement) Projects

- Space Sharing Project for the Youth, Woosadan Studio. 2018 – 2020. (Project management and space operation).
- Street Concert Series: Humanities and Arts, Ministry of Culture, Sports and Tourism. 2018. (Project participation and space operation).
- Woosadan Studio Opening Party, Woosadan Studio. 2018. (Project management and space operation).
- Student Housing Action: Dormitory Project, Korea University. 2015. (Project lead, designated debate presenter at the National Assembly forum).
- Korea University Festival, Korea University. 2015. (Festival planning lead).

PRESENTATIONS — FULL LIST

Organized into three categories: Academic Conferences and Seminars; Presentations to Parliament, Government Committees, and NGOs; and Invited Lectures.

(1) Academic Conferences and Seminars

1. Kang M et al. *Introduction to Research on Strengthening Military Infectious-Disease Response and Management Capacity*. 57th Conference on Military Medicine, September 2026. [Oral]
2. Kang M et al. *Determinants of Mental Health among Military Personnel*. 57th Conference on Military Medicine, September 2026. [Oral]
3. Kang M et al. *Association between Working Hours and Depression among Korean Military Personnel: A Repeated Cross-sectional Analysis of the Military Health Survey (2023–2025)*. 2026 Spring Conference, Korean Society for Equity in Health, May 2026. [Poster]
4. Kang M et al. *Extreme Work, Depressive Symptoms, and Suicidal Ideation among Korean Residents: Focusing on Working Hours, Consecutive Shifts, and Sleep Deprivation during On-call Shifts*. 2026 Spring Conference, Academy of Critical Health Policy, April 2026. [Oral]
5. (Discussant) *Healthcare Workforce Shortage*. ETHOS (Ethics in a World of Emerging Technologies) 7.0, December 2025.
6. Kang M. *After Residents' Return: Where Should Policies for Improving Resident Working Conditions Go?* 42nd Online Comprehensive Academic Conference, Korean Medical Association, November 2025. [Lecture]

7. (Discussant) *Balancing Resident Training and PA Practice from a Quality Improvement Perspective*. Fall Conference, Korean Society for Quality in Health Care, November 2025.
8. Kang M et al. *Preparatory Survey for the Founding of the Korean Association of Preventive Medicine Physicians: Where Do Preventive Medicine Specialists Stand Today?* 77th Fall Academic Conference, Korean Society for Preventive Medicine (KSPM), October 2025. [Oral]
9. Kang M et al. *Complex Associations between Alcohol Use and Suicidal Ideation in South Korea: Cross-sectional and Longitudinal Analyses of a National Panel, 2011–2022*. 77th Fall Academic Conference, KSPM, October 2025. [Oral, Excellent Oral Presentation Award]
10. Kang M, Jeon J, Park J, Choi MH, Kim MH, Choi H. *The Unequal Impact of the COVID-19 Pandemic: Case Fatality in Residents of Long-term Care Facilities and Community Dwellers, Korea*. APHA 2023 Annual Meeting and Expo, Atlanta, GA, USA, November 2023. [Poster, supported by KAMS Travel Grant]
11. (Discussant) *Physician Assistant Session*. Fall Conference, Korean Academy of Health Policy and Management, November 2023.
12. (Discussant) *Post-COVID-19 Session*. Fall Conference, Korean Academy of Health Policy and Management, November 2023.
13. Kang M et al. *Gender Inequalities in Mental Health during the COVID-19 Pandemic: Differences between Urban and Non-urban Areas*. 3rd Joint Academic Conference of Five Academic Societies on Identifying and Reducing Regional Health Inequalities, October 2023. [Oral]
14. Kang M. *COVID-19 and Health Inequalities*. Preventive Medicine Grand Rounds, Korea University College of Medicine, July 2023. [Oral]
15. (Discussant) *Problems with Essential Healthcare Support Policies and Korean Alternatives*. Academic Conference, Korean Academy of Medical Sciences, June 2023.
16. (Chair) *The Present and Future of Residency Training: Focusing on 36-hour Consecutive Duty*. Academic Conference, Korean Academy of Medical Sciences, June 2023.
17. (Discussant) *Where Should Korea's Physician Workforce Policy Go?* Spring Conference, Korean Academy of Health Policy and Management, May 2023.
18. Kang M et al. *Health Inequalities in Cardiovascular Diseases Morbidity and Mortality: 10-year National Representative Cohort Follow-up Study*. 74th Fall Academic Conference, KSPM, October 2022. [Poster]
19. Kang M. *Welfare State, Social Policy, and Health*. Preventive Medicine Grand Rounds, Korea University College of Medicine, December 2021. [Oral]
20. Kang M et al. *COVID-19 and Mental Health: Inequalities by Age, Gender, and Region Using Nationwide Data from 2015–2020*. 73rd Fall Academic Conference, KSPM, October 2021. [Oral]

(2) Presentations to Parliament, Government Committees, and NGOs

21. (Discussant) *Securing Residents' Health Rights and Improving the Training Environment*. Parliamentary Forum hosted by Rep. Lee Soo-jin, February 2026.
22. (Discussant) *Continuous Forum on Medical School Quotas*. Parliamentary Forum hosted by Rep. Shin Hyun-young, December 2023.
23. *Directions for Reforming Resident Duty-hour Regulations*. Subcommittee on Physician Workforce, Healthcare Policy Deliberation Committee, Ministry of Health and Welfare, November 2023.
24. *Directions for Reforming the Residency Training System*. Taskforce on Residency Training System Reform, Ministry of Health and Welfare, September 2023.
25. (Discussant) *Forum on Bed Resources and Branch Campuses of Metropolitan Tertiary Hospitals*. Parliamentary Forum hosted by Rep. Lee Jong-sung, August 2023.

26. *Key Policy Issues Related to the Physician Assistant System*. Consultative Body for Improving the Physician Assistant System, Ministry of Health and Welfare, July 2023.
27. (Discussant) *Continuous Forum on Current Healthcare Issues — Inter-professional Collaboration*. Parliamentary Forum hosted by Rep. Shin Hyun-young, July 2023.
1. (Discussant) *Korean Healthcare Diagnosed by Young Doctors and Its Solutions*. Young Doctors Roundtable Special, July 2023.
2. (Discussant) *Continuous Forum on Current Healthcare Issues — Physician Supply in Underserved Areas*. Parliamentary Forum hosted by Rep. Shin Hyun-young, June 2023.
3. *Reducing Resident Working Hours and Limiting Consecutive Duty to 24 Hours*. Parliamentary Forum hosted by Rep. Shin Hyun-young, April 2023.
4. (Discussant) *Strengthening the Pediatric Essential Healthcare System to Overcome Low Birth Rates*. Parliamentary Forum hosted by Rep. Baek Jong-heon, March 2023.
5. *Integration of the Medical Profession*. KMA Policy Workshop, Korean Medical Association, January 2023.
6. (Discussant) *Reforming Medical School Curricula to Foster Physician-scientists*. Parliamentary Forum hosted by Rep. Shin Hyun-young and Rep. Cho Myung-hee, December 2022.
7. (Discussant) *New Year Roundtable: Essential Healthcare and Health Insurance Financing*. Medical Times, December 2022.
8. *Reducing Resident Working Hours and Limiting Consecutive Duty to 24 Hours*. World Medical Association – Junior Doctors Network (WMA-JDN), October 2022.
9. (Discussant) *Where Should the Yoon Suk Yeol Government's Essential Healthcare Strengthening Policy Go?* K-HOSPITAL FAIR, September 2022.
10. (Discussant) *Forum on Improving Housing Problems among Young Adults in Their Twenties*. Euljiro Committee, Democratic Party of Korea, May 2015.

(3) Invited Lectures

11. *Problems and Reform Directions of the Current Internship System*. Korean Healthcare Policy School, April 2026.
12. *Overview of Smallpox Vaccination*. Korea Armed Forces Nursing Academy, February 2025.
13. *Overview of Smallpox Vaccination*. Armed Forces Medical Research Institute, October 2024.
14. *Career Choices for Early-career Physicians*. Korean Medical Association, February 2023.

TEACHING EXPERIENCES

Korea University College of Medicine — Department of Preventive Medicine (2021–2024)

Course	Year-level	Term	Role	Notes
Preventive Medicine I	M4	March–April (annual)	Teaching Assistant	~6 weeks each
Preventive Medicine II	M6	January–February (annual)	Teaching Assistant	Lecture plus group-project practicum (~120 students; 5 teams of 5)
Preventive Medicine Clinical Elective Practicum	M6	April (annual)	Teaching Assistant	~10 students; 10:00–15:00 fieldwork
Medical Law	M6	June (annual)	Teaching Assistant	3 days, 3–5 hours/day; Korean Medical Licensing Examination preparation
Preventive Medicine Grand Rounds (PMGR)	Graduate-level	Monthly	Coordinator	Monthly graduate-level seminar

Invited / Guest Lectures

- Problems and Reform Directions of the Current Internship System. Korean Healthcare Policy School, April 2026.
- After Residents' Return: Where Should Policies for Improving Resident Working Conditions Go? 42nd Online Comprehensive Academic Conference, Korean Medical Association, November 2025.
- Overview of Smallpox Vaccination. Korea Armed Forces Nursing Academy, February 2025.
- Overview of Smallpox Vaccination. Armed Forces Medical Research Institute, October 2024.
- Career Choices for Early-career Physicians. Korean Medical Association, February 2023.

ADVISORY AND POLICY ROLES

Government, Public Institutions, and State Research Institutes

- **Ministry of Health and Welfare, Republic of Korea**
  - Expert Member, Subcommittee on Physician Workforce, Healthcare Policy Deliberation Committee, September 2023–February 2024.
  - Member, Consultative Body for Improving the Physician Assistant System, June 2023–February 2024.
  - Member, Medical Residency Training Environment Evaluation Committee, September 2022–February 2024.
  - Member, Policy Committee, March 2023–February 2024.
  - Member, Investigation Committee, September 2021–August 2022.
  - Member, Taskforce on Residency Training System Reform, July–October 2023.
  - National Survey on Resident Working Conditions (with the Health Insurance Review & Assessment Service), 2023.
- **National Medical Center**
  - Content Review Committee Member, public-healthcare e-learning curriculum, Center for Public Healthcare Education and Training, 2026.
- **Korea Development Institute (KDI)**
  - Expert Advisor, The Impact of Indemnity Health Insurance on Korea's Healthcare System and Policy Directions, 2026.
- **Korea Legislation Research Institute**
  - Expert Advisor, A Study on Legislation for the Healthcare Safety Net, 2026.

Professional Organizations and Academia

- **Korean Hospital Association**
  - Policy Study on Strengthening Publicness in Residency Training, 2023.
- **Keimyung University**
  - Basic Research for Introducing Green Prescriptions: Overseas Case Analysis and Development of Park and Green Service Items (Master's Thesis), 2024.

ACADEMIC SOCIETIES

Korean Society for Preventive Medicine (KSPM)

- Board Member; Chairperson, Future Generations Committee, 2026–present.

- Member and Secretary, Society and Mental Health Committee.
- Member, Clinical Preventive Medicine Committee.
- Former Member, Policy Planning Taskforce.
- Former Member, Residency Training Development Taskforce.

Korean Society of Occupational and Environmental Medicine (KSOEM)

- Member, Corporate Occupational Physicians Council.
- Research Member, Work, Sleep, and Health Cohort Research Group.

Korean Society of Occupational Stress (KSOS)

- Board Member.

Korean Society for Equity in Health (KSEH)

- Secretary, Labour and Mental Health Research Group.
- Member, Health Equity Policy Research Group.
- Member, Regional Health Inequalities Research Group.
- Former Student Member, Academic Committee.

Korean Society of Epidemiology

- Member, Psychiatric Epidemiology Research Group.

Other Societies

- Member, Korean Academy of Health Policy and Management.
- Member, Korean Association of Health Economics and Policy.
- Member; Certified Specialist in Obesity Medicine, Korean Society for the Study of Obesity.
- Member; Certified Specialist in Geriatrics, Korean Geriatrics Society.
- Former Member, American Public Health Association.
- Former Associate Member, World Medical Association.

PROFESSIONAL ORGANIZATIONS

Korean Association of Preventive Medicine Physicians (KAPMP)

- Vice President and Founding Member, March 2025–present.
- Oversees external relations, organizational management, and health-policy affairs.

Korean Intern Resident Union (KIRU)

- Policy Advisor, September 2025–present.

Korean Intern Resident Association (KIRA)

- President, September 2022–August 2023.
- Vice President, September 2021–August 2022.
- Policy Advisor, September 2023–February 2024.
- Principal Investigator, A Study on Reforming the 36-hour Consecutive Shift System for Medical Intern and Resident.

- Principal Investigator, 2022 Korean Intern Resident Survey.
- Lead coordinator, KIRA policy proposal booklet for the 20th presidential election.

Korean Medical Association (KMA)

- Director of Policy, September 2022–August 2023.
    - Member, Steering Committee, Research Institute for Healthcare Policy (RIHP), September 2021–August 2023.
    - Member, Healthcare and Medical Policy Division, KMA Policy Committee, September 2021–August 2023.
    - Member, Special Committee on Community Care, September 2023–February 2024.
    - Vice Chair, Special Committee on Eradicating Unlicensed Medical Practice, September 2022–August 2023.
    - Member, Member Rights Committee, September 2022–August 2023.
- Delegate, KMA National Assembly, September 2021–August 2022.
- Delegate, Seoul Medical Association, November 2022–October 2023.
- Completion, Advanced Course on Health Policy, May–October 2023.
- Completion, Health Policy Academy for Junior Doctors, January–February 2024.

GLOBAL ACTIVITIES

World Medical Association – Junior Doctors Network (WMA-JDN)

- Korean Delegation Member, April 2022–February 2024.
    - Paris and Berlin meetings (2022); Nairobi and Kigali meetings (2023); Seoul meeting, Korean delegation as host (2024); Porto meeting (2025).

Korean Medical Students' Association (KMSA)

- Korean Delegate, International Federation of Medical Students' Associations (IFMSA) Asia-Pacific Regional Meeting (APRM), Dhaka, Bangladesh, September 2014.
- Member, March 2012–February 2013.

COMMUNITY AND STUDENT ACTIVITIES

- Founder and Director, Woosadan Studio, February 2018–February 2020.
    - Organized alley concerts in Usadan Village, Itaewon; operated cultural space rental and community-based cultural programs.
- Vice President, Korea University Undergraduate Student Union, December 2014–November 2015.
- Member, Youth Policy Council, Seongbuk-gu, Seoul, October 2015–April 2016.
- Member, Tuition Review Committee, Korea University, January–February 2013.
- President, Pre-med Student Union, Korea University College of Medicine, December 2012–November 2013.

OTHER ENGAGEMENTS

- Policy Committee Member, Korea Family Association for the Mentally Disabled, 2022–2023.

- Volunteer and participant, Mad Pride Seoul mental-health rights event, 2019.
- Operating Member, Amnesty International Korea, October 2012–present.

VOLUNTEERS

- Medical volunteer support at civic rallies around the National Assembly and Yeouido, 2024.
- Support and participation at the memorial altar for victims of the 29 October Itaewon crowd crush, 2022.
- Physician Assistant, Seoul Foreign Resident Center, 2019.

MEDIA COVERAGE

Approximately several hundred entries during the tenure as KIRA President and undergraduate student-government vice-president. Full list available on request.

Healthcare & Medical Policy (President, Korean Intern Resident Association, 2022–2023)

- Hankook Ilbo (2023). "Doctors are humans too: pay attention to the individuals working 100-hour weeks."
- Asia Business Daily (2023). "Residents facing 80-hour work weeks despite the 52-hour cap: urgent measures needed."
- Medigate News (2023). "Medical staff should be subject to the 52-hour limit: exclude healthcare from Labor Standards Act exemptions."
- KBS (2023). "Ministry of Health and Welfare and KIRA hold the first training policy subcommittee meeting."
- MBC (2022). "Three in four general hospitals to scale back pediatric services next year."
- Medigate News (2022). "Who is Minku Kang, the winner who secured 71% of the junior doctor vote?"

Housing & Education Policy (Vice President, Korea University Undergraduate Student Union, 2014–2015)

- News1 (2016). "Stalemate between Seongbuk-gu and Korea University over Gaeunsan dormitory construction."
- Seoul Shinmun (2015). "Student unions lead efforts to protect housing rights of the 'Slug' generation in university districts."
- Media Today (2015). "A four-hour commute: the reality behind why students cannot live in dormitories."
- University News Network (2015). "Expensive or non-existent: the 'pie in the sky' reality of university dormitories."
- University News Network (2015). "Students to Deputy Prime Minister: 'Students must have a voice in university decision-making'."
